RIT WiC - Active Membership Tracker   10/08/2024 – 10/14/2024

Progress	Risks
- Project Timeline - Epics and Stories created - UI prototyping started	- No formal meeting with sponsors for the next 2 weeks, so we will need to find time to communicate with them - ITS has a large queue of tasks, so the timeframe of the server setup is unclear
Plans	**Needs**
- Continue talk with ITS and student affairs - Research temporary hosting solution - Continue prototyping/work on frontend - Refine database schema	- From sponsors: more info for the prototype and what the UI should look like (color scheme, images, etc.) - From Coach Martinez: final approval on updated domain model
